## **WHO WE ARE**

Established in 1993, Trader Machinery Inc. is one of Canada's largest and established stocking used machinery dealers. Our team of specialists can offer you machines from inventory, from our nationwide warehouses, or from our vast network of customers in Canada and the US.

## **WHAT WE DO**

Trader specializes in metal working equipment, including all types of CNC Equipment, Shears, Press Brakes, Lasers, Mills, Grinders, Lathes, Saws, Punches, and Boring Mills.

## **WHERE WE ARE**

Our head office is located at 63 Maplecrete Road, just east of Highway 400 & Highway 7. With over 15,000 square feet of temperature controlled warehouse storage, we house a wide variety of new and used high quality metal working equipment. As well, complete inventory specifications, pictures and videos are available on our website [tradermachinery.com](http://tradermachinery.com).

## **HOW WE CAN HELP**

At Trader, we specialize in buying, selling and trading used equipment ranging from a single machine to an entire plant. Each machine in our inventory is sold with a 30 day guarantee. We also offer customers assistance with Rigging, Transportation, Storage, Leasing and Financing Options.

## **APPRAISAL SERVICES**

Trader Machinery Inc. offers appraisal services for customers with one machine to entire factories of equipment. All of Trader's personnel are certified CPPAG appraisers and are experienced in providing accurate and reliable reports based on either: Going Concern Value, Fair Market Value, Orderly Liquidation Value or Forced Liquidation Value.

## **AUCTION SERVICES**

If you have a large quantity of equipment to sell, or are closing your plant, Trader Machinery Inc., in partnership with Infinity Asset Solutions Inc. can help you realize maximum value for your assets through a public auction instead of selling each asset individually.

***Please contact one of our helpful and professional sales staff to discuss options on how we can help you buy or sell your equipment efficiently and with the best results.***

**AT TRADER MACHINERY, CUSTOMER SATISFACTION IS OUR PRIORITY
